

Dear Ultrafabrics® Customer:

Ultrafabrics would like to advise that we will be phasing out 52 sku's from our Ultraleather®, Ultratech™ and Uf2® brand families at the end of 2018.

Yardage for listed styles will be available accordingly during the course of the upcoming year. Please be aware that as inventory levels deplete in the second half of 2018, yardage will become available on a first come, first serve basis. In most cases, we can offer a similar color and/or grain as an alternative option, as detailed in the below list. If the recommended substitution does not suffice, the phased out style can be purchased as a custom order with a 300-yard minimum. Please inquire regarding lead times.

We appreciate your business and continued support of the Ultrafabrics line.

Please feel free to contact us at [customerservice@ultrafabricsinc.com](mailto:customerservice@ultrafabricsinc.com), 877.309.6648 if you have any questions.
