# Iridescent

## Soft Glow, Bold Impact

Embrace Pearlized's irresistible iridescence and add a little shine to your design! This material combines comfort and performance with its classic, natural grain and subtle luminescence to deliver durability and style. Each color shimmers with a soft glow, making Pearlized the perfect choice for those seeking a captivating, yet understated, touch of luxury, even in high-traffic spaces.

## Endless Charm in Every Hue

The 9 new colors of Pearlized infuse a youthful refresh to the existing palette. Gentle lavender, mint green, and blush pink shades are reminiscent of dewdrops catching light and create a whimsical charm while their delicate sheen adds a touch of sophistication.

Embrace Pearlized to revitalize your space with playful elegance.
