

Dear Ultrafabrics Customer:

Ultrafabrics would like to advise that we will be phasing out 34 skus from our Ultraleather®, Brisa®, and Ultratech® brand families at the end of 2021.

Yardage for listed styles will be available accordingly during the course of the upcoming year. Please be aware that as inventory levels decrease, yardage will become available on a first come, first serve basis. In most cases, we can offer a similar color and/or grain as an alternative option, as detailed in the below list. If the recommended substitution does not suffice, the phased out style can be purchased as a custom order with a 500 yard minimum.

We appreciate your business and continued support of the Ultrafabrics line.

Please feel free to contact us at customerservice@ultrafabrics.com, 877-309-6648 if you have any questions.
